CONTESSA CHANDELIER

TONY DUQUETTE COLLECTION

From the Remains Archive. A seven light solid brass chandelier decorated with Duquette's signature clear lucite balls and glass bobeches. Contessa was inspired by vintage iron frames found in Duquette's treasure-filled warehouse and the dramatic series of chandeliers which grace the stairwell at Duquette protégé Hutton Wilkinson's Beverly Hills house, Casa Contessa. Our Archive Collection consists of the best examples of previous custom projects & historic fixtures from our collection. They are made available as inspiration for recreation or inclusion in custom projects.
