GLOSTER SCONCE WITH BEEHIVE GLASS

REMAINS LIGHTING CO. COLLECTION

A one arm sconce machined of solid brass supporting a Beehive shade of hand blown Italian glass in *Dusk*, a translucent cool gray, or *Sfumato*, a clear to opal gradient. A slender arm connects the gently domed backplate and spherical candle cup. These elements echo the snub-nosed design of the British racing Gloster IV floatplane, one of only three Gloster IV models produced.
