JADE SCONCE

HUNEE STUDIO COLLECTION

An ellipsoid crystal vessel is flattened and sculpted with cork paddles, and the thick glass is quenched in water. The resulting lustrous, flattened hand-blown form scatters threads of light, and each crystal silhouette sprouts organically from the hand-finished rigid brass structure. Designed By Hunee Studio.

DIMENSIONS

Overall: 9-1/2" w. x 8" d.

APPLICATION

UL listed for use in dry or damp environments.

LAMPING

Single Edison socket, maximum 100 watts

Single 4.5W Dimmable LED bulb supplied
