MAZZEGA GLASS PENDANT

VINTAGE COLLECTION

Circa 1970

A vintage pendant with four flared textured glass panels like petals that fit into a square satin nickel frame. Designed by Carlo Nason for the Italian maker Mazzega, though the glass itself was likely made by the Austrian maker Kalmar. Supplied with a Tala Voronoi II bulb. Due to the antique nature of this fixture, there may be some nicks or imperfections in the glass as well as variations from piece to piece.
