## MONTGOMERY SINGLE SWING ARM SCONCE

### ARCHIVE COLLECTION

From the Remains Archive. From the Remains Archive. A solid brass swing arm sconce with crisp square backplate. Montgomery is simple, clean, and sharply tailored. There's an undeniable and magical thread to the sunken SS Richard Montgomery, an American Liberty cargo ship, the masts still visible off the shore of the Thames Estuary. The lamp is shaded with a linen shade. Our Archive Collection consists of the best examples of previous custom projects & historic fixtures from our collection. They are made available as inspiration for recreation or inclusion in custom projects.
