PRESIDIO TABLE LAMP

REMAINS LIGHTING CO. COLLECTION

A solid cast brass base bound to a swooping hand-formed reflector that curves around a frosted glass lens, the Presidio Table Lamp is a modern take on the primitive form of a miner's lantern. Remains' solid brass "ingot" switch has a satisfyingly heavy feel and toggle action. Designed by Hart Howerton. The decorative brass switch sits 10" from the lamp base.

DIMENSIONS

Overall: 10" h. x 7-5/8" w. x 3-7/8" d.
