## ROLLED SCONCE - EXTRA SMALL

### ARCHIVE COLLECTION

From the Remains Archive. From the Remains Archive. A sleek sconce of solid brass rolled to conceal its lamping, Commune's slash collection is inspired by Viennese Secession, French 1950's and Milanese modernist designs as seen through a California lens. Each sconce is handcrafted to order with a solid shade or Commune's signature "slash" pierced shade. Our Archive Collection consists of the best examples of previous custom projects & historic fixtures from our collection. They are made available as inspiration for recreation or inclusion in custom projects.
