SIX DOME CHANDELIER

COMMUNE COLLECTION

A six dome chandelier having staggered length arms extending from a central inverted bowl. Each arm holds a pierced shade with Commune's signature "slash" design around the edge, featuring linear cut-outs in a geometric pattern. Set atop a round opal white milk glass globe, the shade positions are adjustable by a small swivel. This ceiling fixture has light sources in each of the glass shades and emanating from the central body. Commune's slash collection is inspired by Viennese Secession, French 1950s and Milanese modernist designs, as seen through a California lens.
