ASTRID 8 CHANDELIER

REMAINS LIGHTING CO. COLLECTION

From the Remains Archive. An eight-light solid brass chandelier, its arms arrayed around a baluster-form stem. Subtle linear details are incised on the central ball, baluster, and urn-form elements found in the main body, as well as on the cups, bobeches and finials. Our Archive Collection consists of the best examples of previous custom projects & historic fixtures from our collection.
