BRONZE NAUTICAL FIREPLACE TOOLS

VINTAGE COLLECTION

Circa 1890

A set of antique nautical cast bronze and wrought iron fire tools and stand in their original aged patina. The base of the stand is in the form of a large shell connected to the coin-imbricated column by a wrapping dolphin fish and topped with a mermaid or siren figure. The wave form arms holding delicate wrought iron tools with scalloped foliate brass accents.

DIMENSIONS

Overall: 32" h. x 12-1/2" w. x 11" d.

PRICE

\$6500
