NIMA TABLE LIGHT

M.FISHER COLLECTION

An illuminated tabletop sculpture made of a hand-carved, veined white alabaster globe lens, set in a solid slab of machined brass with threaded porthole bezels. Fitted with a heavy brass rotary dimming switch and LED lamp that emits a warm glow through the stone. The fixture's design evokes the thread of jewels fashioned by Ariadne in Greek myth to guide the hero Theseus through the minotaur's labyrinth. Complete with fabric cord and standard 120v wall plug.
