SILVER BELLFLOWER AND BOW SCONCE

ARCHIVE COLLECTION

Circa 1900

From the Remains Archive. An antique three light sconce in silverplate over bronze. The oval section arms branch out from the top of a tall fruit, ribbon, & leaf decorated backplate. The bobeches have beaded rims and leafy bases. The urn-shaped cups are gadrooned at the lower sections, plain-waisted, and beaded on their top edges. By the New York maker E. F. Caldwell. Our Archive Collection consists of the best examples of previous custom projects & historic fixtures from our collection. They are made available as inspiration for recreation or inclusion in custom projects.
