SORENSEN 14 OPAL BILLIARD

ARCHIVE COLLECTION

From the Remains Archive. Three thick milk-white glass globes are wrapped in handwoven wire fabric and suspended from solid brass stem to form this versatile billiard fixture. Sorenson references historical netted glass factory lighting and each mouth-blown globe has slight, unique variations due to the hand-made nature of the glass and netting. Our Archive Collection consists of the best examples of previous custom projects & historic fixtures from our collection. They are made available as inspiration for recreation or inclusion in custom projects.
